Read the email from your friend John.

Circle the correct answer **A**, **B** or **C**.

Hi!

How are you? As you know I travelled with my brother Jack, my friend Adrian and his cousin Mark to Britain. I wanted to go by plane but Jack suggested to travel by ship. The journey was terrible. When we arrived in Portsmouth, we took the train to Hastings.

The language school here in Hastings is very good and we are enjoying the classes. We study every morning from nine to one o'clock. In the afternoons, we were supposed to have group activities and sports but I prefer to see the historical places.

We're supposed to stay with families which was fine with me but other students stayed in hotels with friends.

The course finishes at the end of June. I don't know what to do! Yet Jack wants to return back and I'm thinking of visiting other cities, you know! I think that I will stay in London, I hope that my English will be better.

Love

Hi Eman

I went to my uncle's fiftieth birthday party last weekend. He usually has parties in a sports centre near his house but this time he booked a room with a garden in a hotel.

Just before the party started, it began to rain so everyone stayed inside. It was a pity because the garden looked nice and it got rather hot in the room with everyone crowded together.

I wanted to talk to my uncle but he had to see his old friends so I spoke to my cousins more than anyone else.

At 9 o'clock, there was some music and dancing. I can't dance well but it was fun. The only problem was the food, which wasn't very good. I took some pictures. I'd like to show them to you but I can't come to see you right now so I'll send them with another email. Also, could you send me your new mobile number please?
