What LLL can help learners in

Learn a new career pathway/ specialization (sewing, cooking, programming, public speaking, etc.)

Learn a new language

Learn to use a new technology (smart devices, new software applications, etc.)

Learn a new sport or activity (joining martial arts, learning to ski, learning to exercise, etc.)

All of the above

I do not know

Reasons for engaging in LLL

Self-study for personal improvement

Professional development

Developing a new skill for employment purpose

Acquiring pre-knowledge to join higher education

Other: Personal satisfaction and a sense of fulfilment

Benefits of Recognition of Prior Learning (RPL)

Improving people's skills; for better employment opportunities

Improving the transfer and progress of learners between the different sectors of education & training

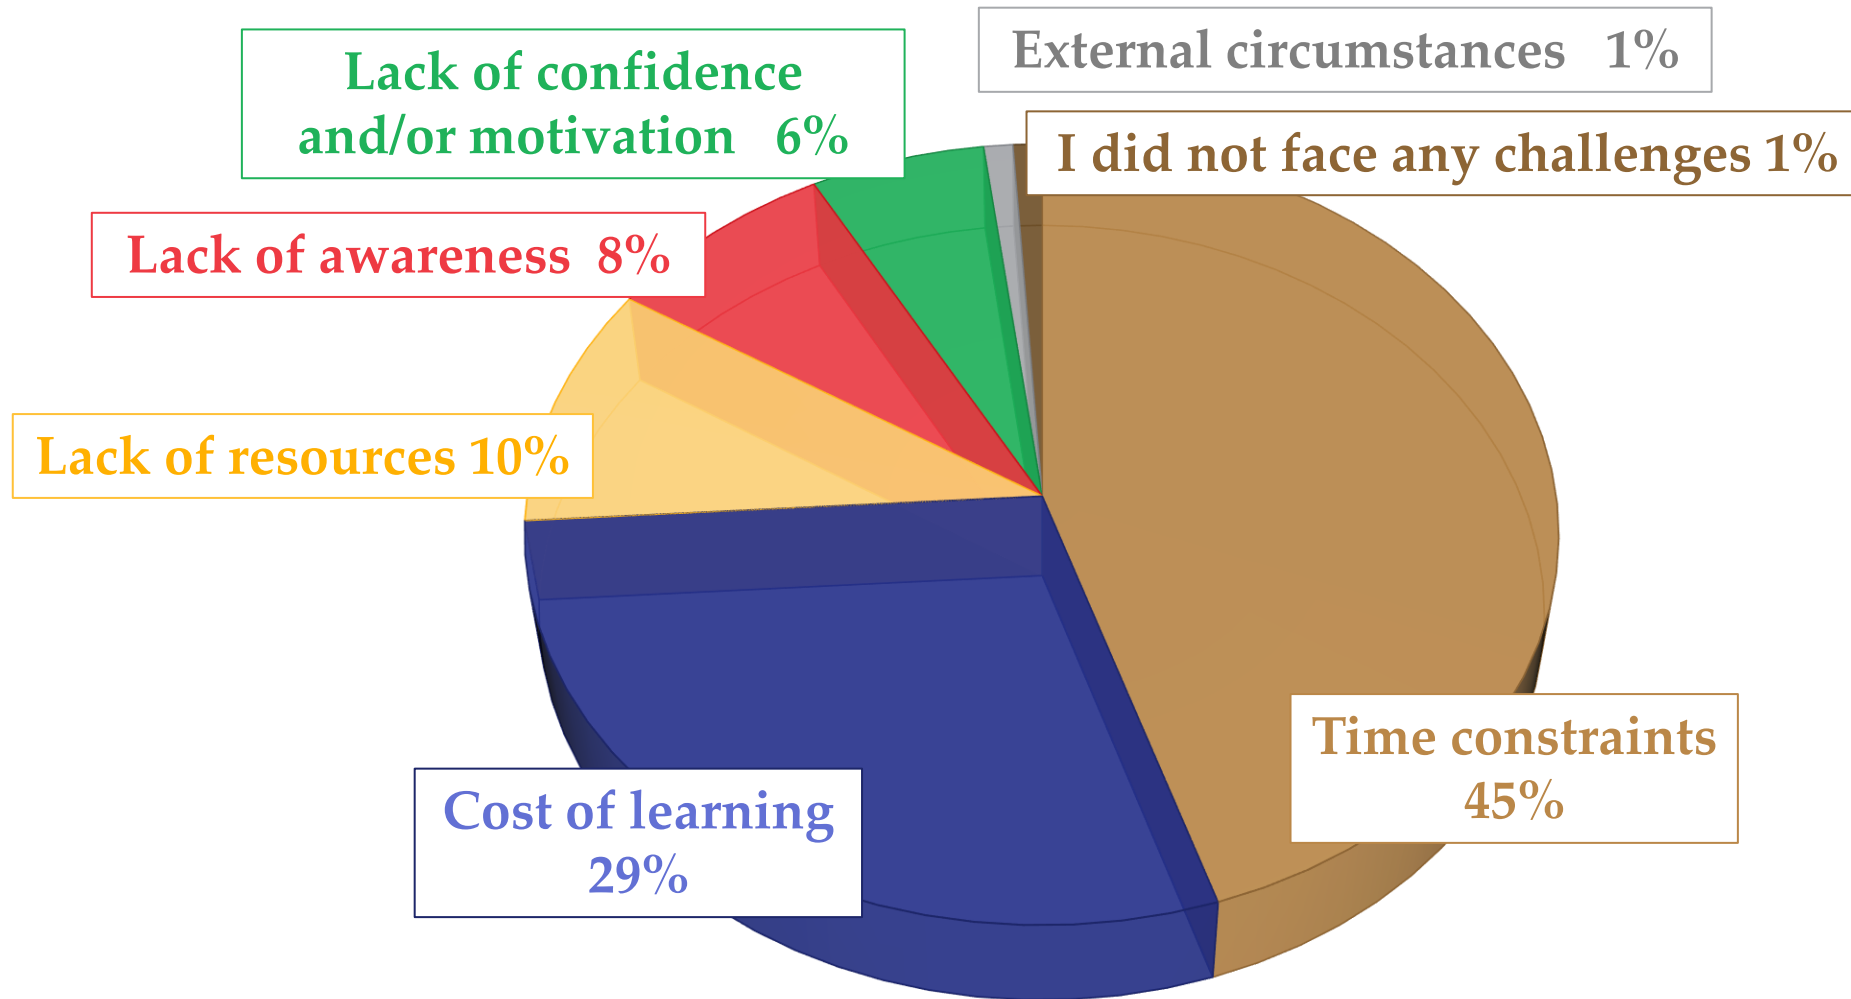

Reduce cost of learning

All the above

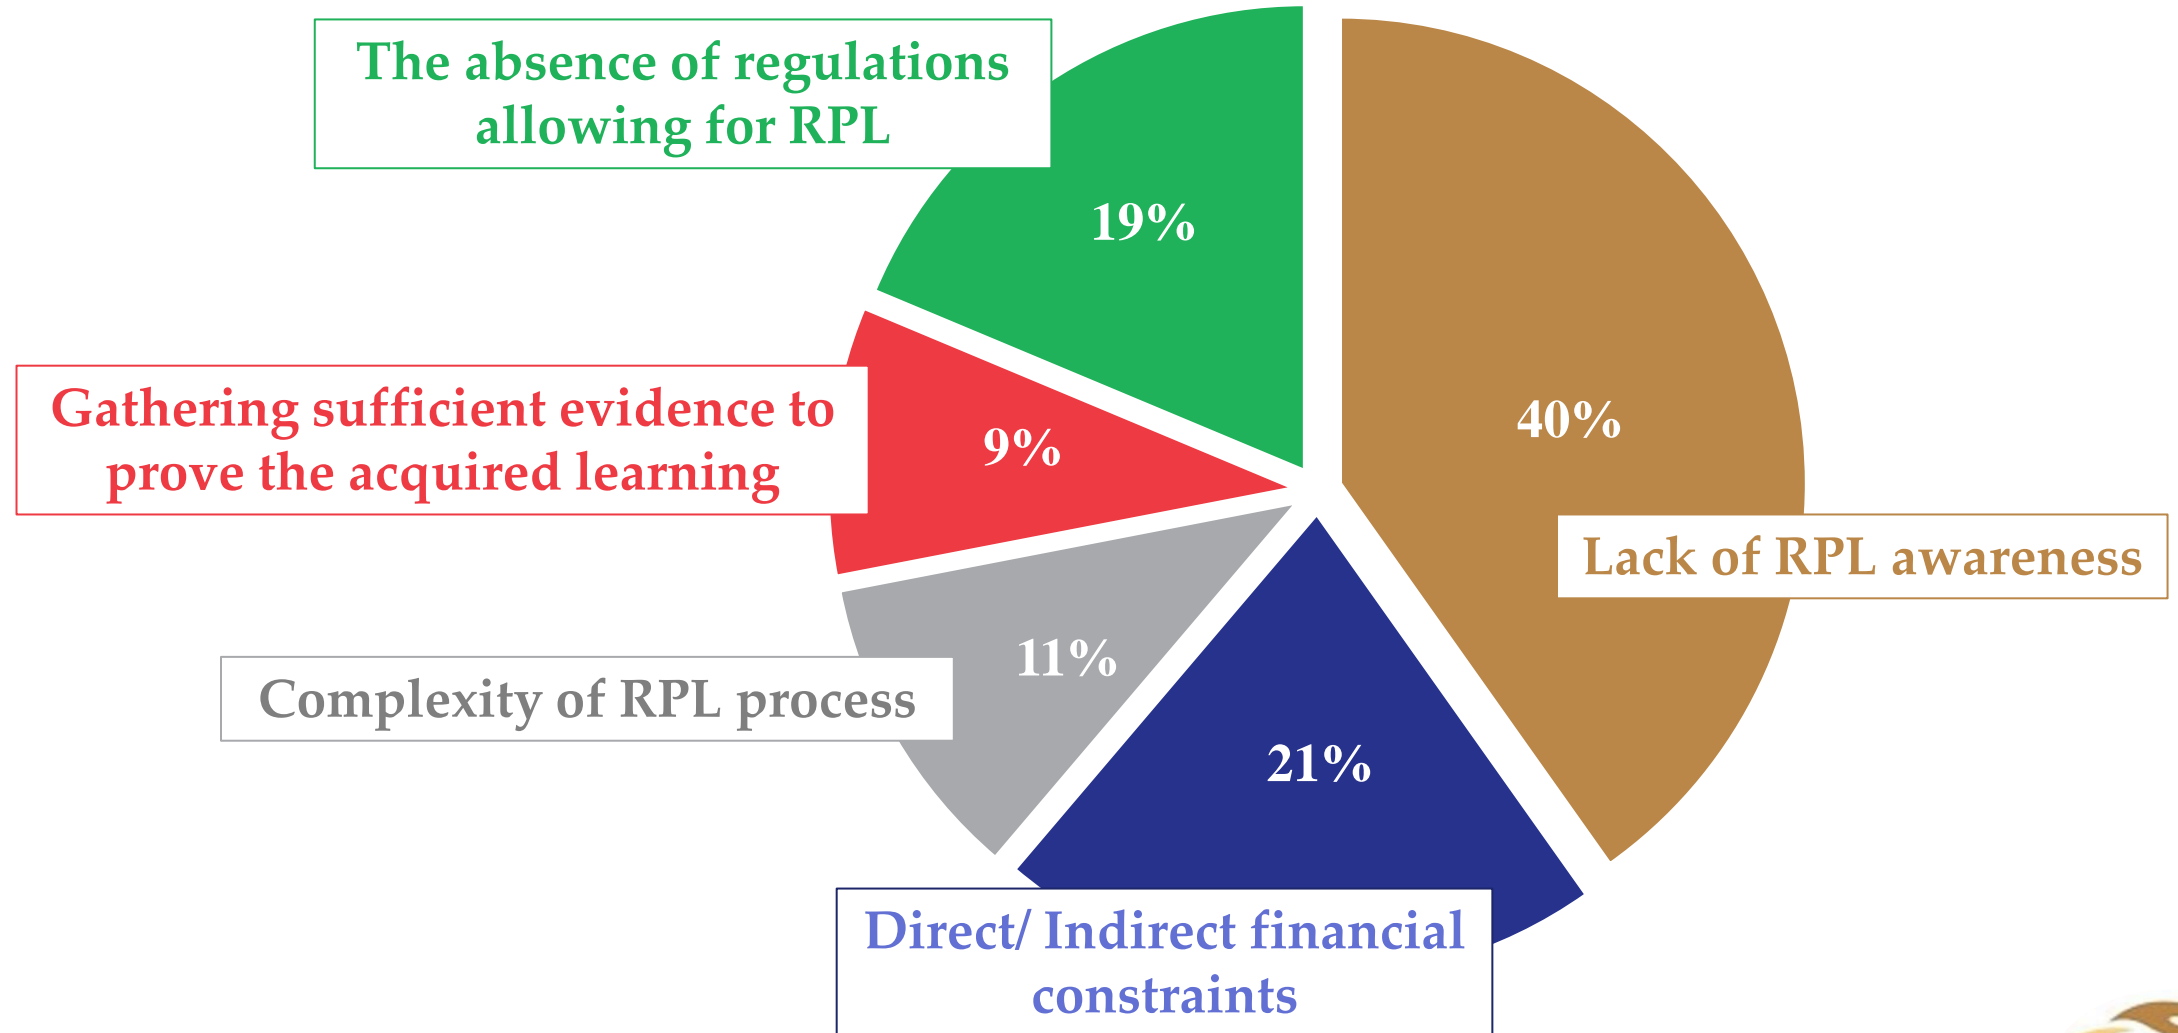

Avoid repetition in learning

Challenges Faced During the Engagement in LLL

Barriers for Applying RPL in HE and VET Institutions
