

## Teachers' Activity 1 (for trainees)

### Teaching, Learning and Assessment Activity

**Target group:** Teachers.

**Activity Objective:** to enhance teachers' knowledge of the aspect and its criteria.

**The proposed duration of the activity** is 20–25 minutes.

**Activity description:** A group activity, in which participants discuss the attached concept outline to answer Activity questions.

**Discuss with your group the indicators of 'Teaching, Learning and Assessment' Criteria in the diagram below to answer the following questions.**

- Authentic assessment
- Feedback

1) Write criteria A and B?

2) What is meant by the "Active Learning" indicator in Criteria A?

3) How does constructive feedback affect students' progress and learning over time?

4) How can teachers benefit from the indicators of: 'Managing a Productive Learning Environment' and 'Authentic Assessment' in improving the effectiveness of classroom practices and procedures?

5) What are the teacher's proposed roles to improve the quality of evaluating the criteria 'Students inclusion and well-being' and 'Academic Standards'?
