Review Summary

- Regal Gulf Training Centre (RGTC) training programmes are delivered in a supportive and engaging environment. Learners at Regal receive purposeful guidance which enhances most learners' personal abilities and employability skills.
- Regal's learners benefit from the assessment of practices, effective training, and learning strategies, which contribute purposefully to the quality of the training programmes delivered. The next step for further improvement would be to enhance the training strategies to further develop learners' critical thinking skills and provide challenging opportunities for more able learners.
- Regal leadership and management conducts regular self-assessments of all aspects of Regal's performance and uses the outcomes to drive strategic direction. These outcomes, along with systematic analysis of learners' performance, are purposefully utilised to initiate improvement actions.
- Regal is 'Good' in all Aspects when reviewed and will develop an action plan to enhance its performance further based on the review recommendations.
