## Review Summary

- AITD Training & Development has a positive and supportive learning environment where most learners are well-engaged throughout their learning journey.
- AITD's strengths are purposefully contribute to the quality of the training programmes delivered, assessment implementation, and learners' achievement. AITD's further improvement is to enhance the training strategies and practices to accommodate the English language programmes learners with different levels of writing and speaking skills.
- AITD leadership and management effectively monitor its performance and regularly conduct self-assessments to use the outcomes in developing AITD strategic planning. These outcomes are also used to make improvement plans and quick actions.
- AITD management team still has room to enhance the follow-up of the pending implementation of improvement action and reinforce the process of monitoring the quality of the training delivered.
- AITD is 'Good' in all Aspects when reviewed and will develop an action plan to enhance its performance further based on the review recommendations.
