Leadership,  
Management and  
Governance

## Review Summary

- The school provides an exceptional educational environment with remarkable support for students' academic and personal continuous growth.
- Students achieve excellent academic success, notably in their exemplary International Baccalaureate Diploma Programme (IBDP) results and in the consistently high performance demonstrated within both Elementary and Secondary Schools.
- The school cultivates a well-planned holistic development through a rich tapestry of extracurricular activities and cultural initiatives, profoundly shaping students' overall growth.
- Teaching strategies are highly effective, employing student-centered approaches and technology integration to support learning across subjects.
- Leadership demonstrates exemplary strategic planning and data-driven decision-making, supported by a robust professional development framework for staff.
- Opportunities exist to strengthen Arabic skills and teaching practices in Middle School.
- The school is 'Outstanding' when reviewed and will draft an Action Plan based on the review recommendations.
