Governance

Review Summary

- The school exhibits outstanding features, particularly in students' academic progress and high achievement, the development of their prominent leadership characteristics, and their personal and academic growth.
- The school oversees schoolwork collaboratively through highly effective procedures, with a strong focus on teachers' professional development and training, encouraging them to exchange expertise, and closely monitoring their performance in lessons. This contributes to enhancing the quality of teaching and learning, resulting in an outstanding level in most lessons.
- The school provides a rich range of extracurricular activities, both internal and external competitions that nurture students' talents and interests, with a significant emphasis on supporting students with special needs.
- The school needs to further support the low achieving students in lessons, to enhance their writing skills in Arabic.
- The school is 'Outstanding' when reviewed and will draft an Action Plan based on the review recommendations.
