Management and  
Governance

## Review Summary

- The school provides a safe learning environment, where students receive appropriate education while maintaining proper behaviour and adhering to school rules and regulations.
- The school offers effective personal support for students with speech and language disorders, and autism students.
- School leadership communicates positively with parents and community partners to enhance student learning.
- The school should increase its efforts to improve students' overall performance and their basic academic skills.
- Teachers' training programmes should be tailored to address their actual needs, to enhance their performance by implementing more effective teaching strategies, assessment methods, and academic support programmes, aligned with students' age group and diverse educational needs.
- Overall, students receive appropriate educational and personal support that facilitates their growth and learning. The school will draft an Action Plan based on the review recommendations.
