Review Summary

- Safety Training and Consultants Centre (STC) provides high quality programmes, mainly in the field of health and safety.
- STC supports learners to acquire effective vocational skills that enable them to successfully achieve the qualifications they aim for in a timely manner. This is achieved through utilising a robust set of assessments that are rigorously verified and moderated.
- STC has effective admission arrangements and follows them with purposeful opportunities to support learners and promote their career progression.
- STC systematically monitors learners' and trainers' performance, using the outcomes to inform decision-making and enhance provision.
- STC demonstrates strengths across all aspects of provision and can further engage learners facing academic challenges to enhance their acquisition of theoretical knowledge.
- STC is 'Outstanding' in all aspects and will develop an Action Plan to sustain its performance based on the review recommendations.
