National Examinations – Grade 12

Who We Are:

The Education and Training Quality Authority (BQA) is an independent national body, aimed at enhancing sustainable quality in the education and training sectors in the Kingdom of Bahrain to a global level. The Authority was established in 2008 as part of the National Education Reform Project, which aims to achieve a qualitative shift, and improve the services provided in the education and vocational training sectors across the Kingdom of Bahrain.

The Directorate of National Examinations (DNE) is one of the Directorates of the Education and Training Quality Authority (BQA), which is responsible for preparing and implementing the National Examinations to assess Grade 9 and 12 students performance. The DNE focuses on designing and implementing valid and reliable National Examinations based on good practices to contribute to the development of the educational system in the Kingdom of Bahrain.

What do you - as a Grade 12 student, benefit from the National Examinations?

It is a measurement tool that helps you with the following aspects:

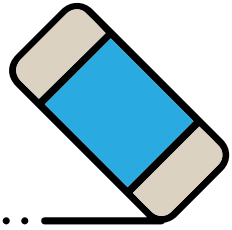

- Measure your academic achievement at the end of secondary stage.
- Identifying your strengths and areas for improvement for your university study.
- Motivating you to stand out and compete positively.
- Measuring your skills, knowledge and core competencies that contribute to your participation in building the knowledge-based economy and society.
- Measuring your ability to analyse information and data and devise solutions based on real-life situations.
- Measuring your applied language and applied mathematical skills.
- Providing appropriate support to evaluate your choices for university admission.
- Could be considered as one of the admission requirements as per the national universities rules and regulations.
- If your performance is high, it may exempt you from certain foundation courses according to the criteria of the respective university.

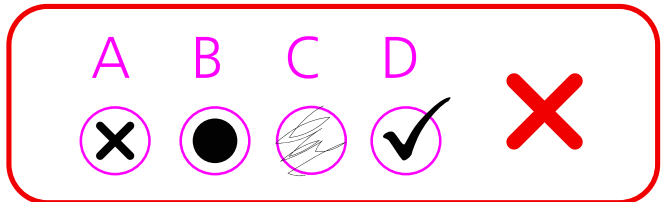

How to answer A Multiple Choice Question Paper

It is preferable to use HB pencil.

Erase any answer you wish to change
using an eraser only.

Shade only one option for each answer,
and make sure to fill in the answer circle correctly.

General Instructions

Dear Student,
